Cultural Immersion at CasaMagna Marriott Puerto Vallarta Resort & Spa

AUG 26, 2014 425

← back

There is just nothing quite like a vacation to an exotic foreign land—especially one that immerses visitors in the local culture so they can enjoy the essence of the region in an authentic way. This the CasaMagna Marriott Resort & Spa in Puerto Vallarta delivers in droves, offering guests the opportunity to partake in a bevy of genuine experiences that exemplify why Puerto Vallarta has become one of my favorite Mexican destinations.
